Venue of Assessment.....

Date.....

Name.....

Address.....

.....

Name of Horse/Pony.....

The above Driver was assessed for safety and competence during the following 5 parts of the Introductory Safety/Competence Assessment for Club Members

- |          |  |
|----------|--|
| Part I   | Inspection of the Horse, Harness and Vehicle |
| Part II  | Harness Up and Correct Fitting of Harness    |
| Part III | Putting Horse to Vehicle                     |
| Part IV  | Safe Driving Techniques                      |
| Part V   | Taking out and Unharness                     |

The objective of the Assessment is to ascertain whether a driver and his turnout are sufficiently competent and safe to take part in an event or public outing, organised by the Club

**On this occasion, the above driver complied safely and competently with the requirements of the assessment.**

Signed..... Name Assessor.....

COMMENTS

***Note to Assessors***

*If in any part of this assessment it was felt that the driver should have more help or practice before being safe to appear in public please do not sign this form but state this in the COMMENTS and sign only the comments box.*
