DASTARDLY DRIVE REPORT 06

Having just joined G.W H.C. at the beginning of June we were able (thanks to Penny Bragg giving her time at very short notice to assess us and our horse/vehicle) to join the Dastardly Drive at the Fleet estate.

A great day!! Super scenery, once the sea mist had cleared and an excellent route.

We have been driving for about 18 months having had a few introductory lessons from Maxine and help to break Merlin in from Nick at Easter Hall. This was our first experience of a G.W.H.C. organised event and we can't wait for the next one! It was the longest drive we have attempted but Merlin went like a train both ways and really enjoyed himself. His fitness is probably due to the fact he lives at the top of a 680 foot hill and the only way out is down (and then back up again!)

Many thanks to the organisers and stewards for making the drive possible; We appreciate the amount of time and effort involved to organise the day and have it run so smoothly.

We are looking forward to future events and hope to have a 4 wheeler soon (if anyone has one for sale please let us know) We have been lucky enough to borrow a 4 wheel Bennington for a few weeks so our 2 wheel days are numbered now that we have tried the real thing!
